These Terms and Conditions govern the Bank's Accelerator Cash Account. They do not include terms and conditions that may apply by operation of law, under for example, the Corporations Act 2001.

You should read these Terms and Conditions carefully before lodging funds in an Accelerator Cash Account, and keep them for your future reference. You will then know what to expect from us and what we expect from you before becoming bound by the Terms and Conditions. You can ask us questions about any of the Terms and Conditions that you do not understand, and so avoid misunderstandings.

You'll also need to read these other documents if you wish to use NetBank, the CommBank app or services set out below; or you want to know your current interest rates. These documents are available at commbank.com.au or from your local CommBank branch except where stated otherwise.

- Opening an account is conditional upon you providing the Bank with the necessary identification information it requires; and the Bank carrying out any necessary verification check(s).

4. If you conduct an account jointly with another person

- Unless otherwise agreed with the Bank:
 - each of you may operate the account independently of the other;
 - the Bank may accept for the credit of the account any cheque or other negotiated instrument payable to any one or more of you; and
 - If a joint account owner passes away, the account belongs to the other account owner(s).
- If you have a joint account and you instruct us that the account is to be operated in a certain way (e.g. you instruct us that any one of the joint account owners may operate alone), then we will not be liable for acting in good faith and without negligence in accordance with those instructions.
- If the Bank permits an overdrawing, each of you will be liable to the Bank jointly and severally.
- If you are joint account owners, you can let us know your preferred method of operation, that is, whether

authorisation from only one (sole operation) or all (joint operation) joint account owner(s) or in the case of non-personal accounts, (for example, corporate or Self-Managed Super Fund accounts) one or all account signatories, is required before we can act on an instruction (for example, withdraw or transfer money, appoint an authorised operator, change your daily withdrawal limit, set up or cancel debits or close the account).

- If you don't let us know your preferred method of operation, we will require authorisation from more than one account holder or account signatory to act on an instruction - that is, joint operation applies.
- The method of operation that you instruct us to apply is subject to the following exceptions:
 - (a) Any joint account holder (or authorised signatory) acting on their own will always be permitted to:
 - change the account from sole to joint operation.
 - change the method of delivery for account statements and notices - for example, from paper to electronic or electronic to paper.

5. Trust accounts

- Unless the account is designated as a trust account, when you lodge a deposit in your name(s), you verify that the funds deposited are not impressed with a trust nor lodged in a trustee capacity.

6. Account operating authority

AUTHORISED ADVISER

When you open your account, you may appoint your adviser to operate on your account by completing the relevant section within the application form. You may also appoint your adviser to have authority to operate on your account at any time subsequent to opening the account by completing the relevant form which you can obtain by contacting your adviser. The scope of your adviser's authority is set out in the application form or any other relevant form on which an adviser may be appointed.

THIRD PARTY AND OTHER AUTHORISED SIGNATORIES

If you wish to appoint a Third Party ("Third Party") to operate on your account you will be required to complete an Authority to Operate – Third Party form or other prescribed form and provide us with details of:

- (i) all signatories who are authorised to operate the account, and
- (ii) the method of operation, e.g. anyone to sign, any two to sign, the Treasurer plus one to sign etc.

A Third Party or other authorised signatory can:

- (i) withdraw money from the account;
- (ii) register and maintain a PayID for your account, including locking or closing a PayID or initiating a PayID transfer to another account in accordance with the PayID Terms and Conditions; or
- (iii) do anything else on behalf of all account holders except that a Third Party or other authorised signatory cannot change signatories or method of operation.

Where a Third Party or account signatory registers and maintains a PayID for your account in accordance with these terms and conditions, you agree that the Third Party or account signatory may use account information including your name, account name, telephone number and email address. You also agree that we may use, store or share this information with the PayID service for others to access when facilitating payments or registering PayIDs and for reasonable secondary purposes including transaction tracing and investigations.

We will act upon the authority given to the Bank until you vary or cancel it. If you wish to vary or cancel an authority you must give notice in writing to the Bank. Upon receiving such notice, the authority will be varied or cancelled. All cheques and other instruments, dated prior to and presented for payment after the receipt of such notice in writing, will be honoured for payment. Any

instructions given by you in accordance with the authority will be relied on by the Bank. We will not be liable for any loss or damage you, or anyone else suffers where the Bank acts on those instructions in good faith, unless it is proved that the Bank was negligent. Where the Bank agrees to supply services to you as a consumer, as defined in the Australian Securities and Investments Commission Act 2001 ('the Act'), then the Bank's liability will be determined in accordance with the Act. The Act permits the Bank in some circumstances to limit its liability to resupplying services to you.

7. Right of set-off

(This clause applies if you offer the account as security for any Loan Agreement or Guarantee given by you).

You agree to offer the account as security for the Loan Agreement or the Guarantee given by you by nominating a Hold Amount in the application form for the account (signed by you) or by substituting it with such other amount as agreed from time to time as the Hold Amount.

In consideration of the Bank granting the credit to you under the Loan Agreement or to the borrower named in the Guarantee, you agree with the Bank that notwithstanding the terms of any other arrangement, agreement or security, present or future:

- as long as any moneys remain or become owing or payable to the Bank by you under the Loan Agreement or by the guarantor named in the Guarantee (all of which moneys are hereinafter called the Money Owing):
 - (a) you must keep the minimum balance of the account at the Hold Amount and agree that you cannot withdraw funds from the account below the Hold Amount;
 - (b) the Bank shall be under no obligation to repay any moneys now or hereafter standing to the credit of the account up to the Hold Amount;
 - (c) your interest at any time in the account is limited to the difference (if any), in your favour, between the Hold Amount of the account and the Money Owing at that time;
 - (d) the Bank may, without prior notice to you, prepay and apply the whole or any part of the moneys standing to the credit of the account (and any interest accrued thereon) in or towards payment of any Money Owing or any part thereof. If you are a guarantor and have not complied with a demand for payment under your Guarantee, the Bank can apply any such monies up to the maximum of your liability; and
 - (e) if you are a company, immediately before the appointment of an administrator to you, the whole of moneys standing to the credit of the account (and any interest accrued thereon) up to the Hold Amount will be applied automatically in or towards payment of the Money Owing.

- This clause 7, shall not be considered as wholly or partially satisfied by payment by you at any time hereafter of any of the Money Owing or by any settlement of account or by the granting to you by the Bank of any time or other indulgence or by any other matter or thing whatsoever.
- You acknowledge that your right, title and interest in and to the moneys standing to the credit of the account, any interest accrued thereon from time to time and any other rights associated with the account up to the Hold Amount are incapable of assignment, whether at law or in equity, and you will not attempt to assign the same.
- When you or the borrower named in the Guarantee comprise two or more persons or bodies corporate, a reference in this clause to “you” or “the borrower in the Guarantee” means such persons and bodies corporate and any one or more of them. In this clause the term Money Owing does not comprise or include any moneys owing or payable or which may become owing or payable to the Bank by you or by the borrower named in the Guarantee on any account to which the Consumer Credit Code applies.
- You may transfer funds into your account from your other Commonwealth Bank accounts using the Bank’s Phone Banking service and Internet banking service. There are limits on the amounts that can be transferred per customer per day. Refer to the Electronic Banking Terms and Conditions document for details.
- You may arrange to have your salary, or any other regular payment made direct to your account by direct credit or periodical payment.

10. Withdrawals and payments

- This clause 10 is subject to clause 11 of these Terms and Conditions.
- Proceeds of cheques and other payment instruments, or funds transferred by direct debit, whilst credited to your account, are subject to clearance. If the Bank allows you to access the proceeds before clearance is effected, you must repay that money if the cheque, payment instrument or direct debit is dishonoured. In other cases, the money in your account is available on demand.
- Any cheques drawn on or deposited to your account, or bank cheque or other document deposited to your account or delivered to us in connection with a transaction on your account, becomes our property when we have presented the cheque for payment (even if it is dishonoured) or when the transaction is otherwise complete.
- For security reasons we may place a hold on funds transferred to or from your account through NetBank or the CommBank app. The hold may apply:
 - For 24 hours;
 - In some circumstances, where the transaction takes place after 7:30pm (Sydney/Melbourne time), until the second following day; or
 - For as long as we reasonably need to investigate the transaction.
- Withdrawals can be made at any branch of the Bank.
- There are limits on the amount of cash you are able to withdraw using your card at an ATM or at an in store EFTPOS terminal. The daily limit is the total amount you are able to withdraw from all accounts linked to your card. Your daily limit depends on when you received your card and what type of card you hold. Refer to the Electronic Banking Terms and Conditions for details of these limits.
- You can change your card limit at anytime. If you ask for a higher limit, your liability for unauthorised transactions may increase.
- There are also withdrawal limits for online and mobile banking. See the Electronic Banking Terms and Conditions and the Commbank app Terms and Conditions for details.

8. Business account password

When you apply for a business account password (Password) to be linked to all existing accounts and each account in your name:

- You acknowledge that use of the Password cannot be limited to only some of your account/s.
- The Password may be used to instruct the Bank to:
 - Obtain account information (including account statements);
 - Update particulars of your account/s; and
 - Stop cheques drawn on your account/s.
- The Password may be cancelled or changed by the Account Holder.
- Any instructions given by a person using the Password in accordance with the Account Operating Authority will be relied on by the Bank. It will not be liable for any loss or damage you, or anyone else, suffers where the Bank acts on those instructions in good faith, unless it is proved that the Bank was negligent. Where the Bank agrees to supply services to you as a consumer, as defined in the Australian Securities and Investments Commission Act 2001 (‘the Act’), then the Bank’s liability will be determined in accordance with the Act. However, to the extent permitted by the Act, any such liability of the Bank is limited to the cost of supplying services again.

9. Deposits

- After the initial deposit, you may make deposits at any branch of the Bank. You may also deposit through most of the Bank’s automatic teller machines (not coins).

- You may transfer funds using the Bank's telephone banking service and Internet banking service. There are limits on the amounts that can be transferred per customer per day. Refer to the Electronic Banking Terms and Conditions document for details.
- Merchants, BPAY® billers and other financial institutions may impose additional restrictions.
- You may arrange to have regular payment of bills and loan repayments made direct from your account by direct debit or periodical payment.
- A direct debit authority may be cancelled or altered by you at any time by notice in writing (signed by you) to the Bank. The Bank will accept and promptly process any such notice. The Bank may ask that you also contact the debit user. You may cancel a periodical payment authority at any time by notice in writing (signed by you) to the Bank. The Bank may cancel or stop any direct debit or periodical payment authority when payment arrangements no longer comply with the terms of the account authority signed by you.
- The Bank will also accept and promptly process any complaint from you that a direct debit or periodical payment transaction was unauthorised or irregular. In the case of a direct debit transaction, again, the Bank may suggest that you also contact the debit user.
- If the Bank has a right of set-off under the terms of any Loan Agreement or Guarantee, so that the account secures your liability to the Bank (whether as a debtor or guarantor), the Bank may refuse to allow withdrawals from the account until that liability is discharged.
- If you make a mistake (for example, you type in the wrong recipient details), let us know straight away and we'll attempt to recover the money on your behalf using the processes set out in the Electronic Banking Terms and Conditions. If we are reasonably satisfied that funds have been paid into your account due to another party's mistake and there are sufficient credit funds in your account, we may debit your account with the amount of the mistaken payment and return it to the other party without giving you notice. In some instances we may prevent you from withdrawing the amount claimed to be a mistake while we investigate.

11. Refusal of service

Despite any other right in these Term and Conditions, in the event that you or a signatory appears to be a Proscribed Person, then we may immediately refuse to process or complete any transaction or dealing of yours; suspend the provision of a product or service to you; refuse to allow or to facilitate any of your assets held by us to be used or dealt with; refuse to make any asset available to you to any other Proscribed Person or entity; or terminate these arrangements with you. We will be under no liability to you if we do any or all of these things. Our rights under this clause are in addition to all other rights we may have.

If we exercise our rights under this clause you must pay us any damages, losses, costs or expenses that we incur in relation to any action taken under this clause, including without limitation our refusal of service under this clause, interest adjustments, administrative costs and/or costs of sale or purchase of any transaction or deal put in place for the purposes of meeting our obligations under these Terms and Conditions.

12. Payment of interest on credit balances

- Interest is calculated on the entire credit balance of your account.
- Your appointed adviser may be entitled to receive a referral fee/commission from the Bank based on the average monthly balance of your ACA account. The interest rate applicable to your ACA account is net of any fees/commissions paid to your adviser.
- Your adviser will continue to receive the referral fee/commission until you or your adviser cancels the engagement and either you or your adviser provide signed written notice to CommSec Adviser Services. Upon receiving such notice, CommSec Adviser Services will cancel the referral fee/commission to your adviser. You will then receive the full ACA interest rate applicable to your account.
- If you opened your Accelerator Cash Account on or after 18 November 2013, your interest rate will comprise a base rate plus or minus a margin.
- Interest is calculated daily and is credited to your nominated account monthly on the first calendar day and when the account is closed.
- Rates of interest are variable at the Bank's discretion.
- To obtain the latest interest rates, contact your adviser or CommSec Adviser Services.

13. Cheque facility

- You may apply to the Bank for issue of a cheque book to operate your account.¹
- You must only use the cheque forms supplied by the Bank.
- Stamp Duty (where applicable) is charged to your account when a cheque book is issued.
- Generally, cheques will be cleared in about three days.
- If you require faster clearance, known as special clearance, inform the teller when you are depositing the cheque to your account - a fee is charged for this service.
- The drawer of a cheque may ask their bank to stop a cheque - we will act on these instructions if the cheque has not already been paid. If you need to stop payment

on a cheque you must contact us immediately with the cheque number - a fee may be charged for this service.

- Crossing a cheque - that is, drawing two parallel lines vertically on a cheque - acts as an instruction to a bank to accept the cheque only into a bank account and not to cash it.
- Including the words 'not negotiable' in the crossing helps protect the true owner of the cheque if it is lost or stolen. Including the words 'account payee only' in the cheque serves as a warning to a bank not to accept the deposit of the cheque except to an account of the named payee.
- The deletion of the words 'or bearer' from a cheque directs the bank to pay the cheque only to the payee or in accordance with the written endorsement of the payee.
- To reduce the risk of unauthorised changes to a cheque make sure that you write only in non-erasable pen, complete the cheque carefully and fully, do not sign blank cheques, add appropriate crossings and make sure there are no spaces left before or after the amount.
- Cheques may be dishonoured if they are irregular in some way, including but not limited to, if the cheque is not signed by the drawer or with the drawer's authority, has been altered without authority from the drawer, is older than 15 months (stale) or if the cheque bears a date in the future (post-dated).
- The Bank may at any time withdraw your cheque facility in the event of any improper conduct of the account. The Bank may at its discretion require new and existing account holders to lodge a minimum opening balance or have a minimum balance before the cheque facility is provided. If you try to make any withdrawal transaction which would cause the balance of the account to be overdrawn, we are not required to honour your cheque or allow the withdrawal transaction (refer Clause 15).

14. Account combination

- You agree that the Bank may combine or set-off the balance of this account with any other on demand account or with any loan account for which the Bank holds security that you have or may have in the future with us. The Bank's rights under this Clause do not extend to any account which has a facility which is regulated by the National Credit Code. In such cases, the Bank may still exercise its banker's right of account combination.
- If the Bank elects to combine your accounts it will observe any applicable requirements of the Code of Operation for Centrelink Direct Credit Payments.
- The consequence of your accounts being combined will be that, in effect, one balance remains. If that is a debit balance, you will remain liable to repay that amount to us. We will inform you promptly after exercising our right to combine your accounts.

15. Debit balances

- If you make any withdrawal or other payment (e.g. by cheque) or transact on your account by any means which would cause a debit (negative) balance in your account, this is known as overdrawing your account. If you try to make any withdrawal transaction which would cause an overdraw of your account, we are not required to honour your cheque or allow the withdrawal. However, depending upon what we do in relation to the cheque or withdrawal transaction, we will be entitled to charge fees as described below.
- If we do allow you to overdraw your account:
 - the amount by which your account is overdrawn will be treated as an advance by us to you and you will owe us a debt of that amount;
 - you must repay that advance, including interest and fees charged on your account as a result of that advance, immediately, unless we agree with you an arrangement for repayment (within no longer than 62 days);
 - interest on that advance will be calculated daily and charged to your account on the first calendar day of each month and when the account is closed;
 - we apply any payments to your account first in repayment of that advance and any interest charged; and
 - we are entitled to charge an Overdrawing Approval Fee (refer to 'Account and Transaction Fees' in this document).
- If we do not allow you to overdraw your account, we are entitled to charge a Dishonour Fee (refer to 'Account and Transaction Fees' for details of this fee) for processing the disallowed withdrawal transaction.

16. Statements of account

- The Bank sends you a statement of account each quarter (standard cycle), unless the account is inactive (refer clause 19).
- You may request a statement to be issued at any time by logging onto Netbank, telephoning the Bank on **13 2221** or from any branch of the Bank.
- We provide statements and notices electronically where:
 - you have not told us that you don't want to receive your statements and notices electronically. You can let us know at any time that you don't want to receive your statements and notices electronically by updating your preferences on Netbank or calling 13 22 21 or;
 - these terms and conditions do not otherwise provide that your statements will be provided in another way.

- Where applicable we will give you your statements and notices electronically through:
 - (a) Netbank - We'll let you know the information is there by;
 - Email to an email address you have given us for contacting you
 - SMS message to a mobile telephone number you have given us for contacting you; or
 - Push notification from the CommBank app that the information is available for retrieval by you.
 - To receive your statements electronically, you must give us a current email address and you must register for Netbank. If you don't we may switch your delivery method to paper, and you may incur a paper statement fee.
 - (b) any other means we agree with you.
- You can change your electronic address at any time on Netbank or by calling us on 13 22 21.
- We record that you received an electronic statement or notice on the day that our notification enters the first information system outside of CommBank (e.g. the server of your email address).
- Even if we normally provide electronic notices, we may occasionally send you a paper statement or notice instead (e.g. if we are unable to provide the information electronically)
- If you have a joint account, and the same email or postal address, we will send one statement or notice addressed to all of you at that address.
- The Bank may charge a fee for duplicate/additional/ separate (outside standard cycle) statement requests. A schedule of charges for common Bank services is available on request.

17. Electronic banking

- Electronic access to your account is governed by the terms and conditions set out in the Electronic Banking Terms and Conditions document. A copy of the Bank's Electronic Banking Terms and Conditions document can be obtained online at www.commbank.com.au or from any branch of the bank.
- Clause 10 and this Clause 17 regarding electronic banking are subject to the following additional terms and conditions.

19. Inactive accounts

- An account becomes an inactive account when no customer initiated transactions are made on the account for six (6) consecutive complete calendar months.
- When an account becomes an inactive account, a statement of account will be sent and, until a customer initiated transaction is made, statements will thereafter be sent half-yearly.

20. Government charges

- Whilst you are not required to provide us with your Tax File Number (TFN) or Australian Business Number (ABN) in relation to an account, the Bank is obliged by law to withhold tax from interest where a TFN, TFN exemption or ABN has not been quoted on an Accelerator Cash Account, and where interest is payable to a non-resident.

- The Bank notifies you of the introduction or variation of any Government tax or charge either in writing or by an advertisement in the national media or local media, unless the Government, Government agency or representative body has already publicised the introduction or variation.

21. Variation of terms and conditions

The Bank may from time to time vary the terms and conditions to:

- introduce a Bank fee or charge in relation to the operation or maintenance of an account; or
- vary the method by which interest is determined or the frequency with which the interest is credited to the account; or
- change the minimum balance to which an account keeping fee applies; or
- vary the balance ranges within which interest rates apply to the account.

The Bank gives you thirty (30) days written notice of these variations except where the Bank cannot locate you.

However, we don't have to give you any advance notice if we need to make changes to immediately restore or maintain the security of a system or an individual facility, including the prevention of systemic or individual criminal activity, including fraud.

Without limiting its rights to vary the matters set out above the Bank may from time to time vary any of the terms and conditions of an account.

If the Bank varies the terms and conditions other than those set out above, or varies its standard fees and charges, or varies an interest rate (base rate or margin), the Bank notifies you either in writing or by advertisement in the national or local media, no later than the day on which the variation takes effect.

The Bank notifies you of the introduction or variation of any Government charge either in writing or by advertisement in the national or local media, unless the Government, Government agency or representative body has already publicised the introduction or variation.

If you do not accept a change, you may close your account without fee or charge, although we will deduct any amounts that the Bank is legally obliged to pay to a third party from your account, and any amounts the Bank is entitled to by way of set off or account combination under clause 14 Account Combination.

22. Change of name or address

- You are required to notify the Bank promptly of a change to your name, address or any of your other contact details such as mobile and email address.

23. Closure of account

- The Bank is entitled to close an account on reasonable notice, or without notice if the account has a nil balance and has not been operated on for three months or more. The Bank may charge you an amount that it considers to be a reasonable estimate of the costs of closure.
- If you do not make a deposit or withdrawal on the account for seven (7) years, or within this period you have not notified us that you wish for us to treat your account as active, the Bank will close the account without giving you notice and will transfer any credit balance to an unclaimed moneys fund. (Balances over a prescribed amount go to the Commonwealth Government's unclaimed moneys fund where they may earn interest; balances below the prescribed amount will not earn interest.) You may apply for the transferred balance to be returned to you at any time.
- The Bank is entitled to close your account without notice if it appears to the Bank that you may be a Proscribed Person.

24. Customer information and privacy

WHAT INFORMATION WE COLLECT

We collect information about you (such as your name, address and contact details), and information about your interactions with us, such as transactions on your account. We may also collect publicly available information about you.

WHY WE COLLECT YOUR INFORMATION AND WHAT WE USE IT FOR

We collect your information because we are required to identify you in accordance with the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006* and in order to comply with taxation laws, such as the *Taxation Administration Act 1953* and the *Income Tax Assessment Act 1936*. We also collect it to administer our customer relationships and internal processes including risk management and pricing, to meet our obligations in relation to external payment systems and under our arrangements with government agencies, and to identify and tell you about products and services that may interest you (unless you tell us not to). **If you don't want to receive marketing information from us or CommSec Adviser Services you can call CommSec Adviser Services on 1800 252 351.**

If you give us your electronic and telephone details, you agree we may use this to communicate with you electronically, by phone or SMS, including providing updates, reminders and (unless you tell us not to) marketing information.

You must give us accurate and complete information; otherwise you may be breaking the law and we may not be able to provide you with the products and services that you

require. If you change your personal details (e.g. address, name or email address) you must tell us straight away.

WHO WE MAY EXCHANGE YOUR INFORMATION WITH

We may exchange your information with other members of the Group who may use your information for any of the purposes we can.

We may also exchange your information with others outside the Group, for example:

- your representatives, advisers, brokers and agents and their service providers;
- our service providers and those who refer business to us;
- other financial institutions (for example, in relation to a mistaken payment claim), enforcement and government authorities, relevant public registers and payment system operators (for example, BPAY Pty Ltd).

CommSec Adviser Services may also exchange your information with:

- Your representatives, advisers, brokers and their service providers;
- Co-branding or branding partners (organisations with whom CommSec Adviser Services has agreements to provide products and services under a different brand name).

Sometimes it may be necessary to send your information overseas – for example, where we outsource functions overseas, send information to Group members overseas, where we need to complete a transaction on your behalf or where this is required by laws and regulations in Australia or in another country. See our Group Privacy Policy for more information.

OUR GROUP PRIVACY POLICY

Our Group Privacy Policy is available on our website at commbank.com.au (follow the Privacy Policy link) or upon request from any branch of the Bank and should be read in conjunction with the above. It contains further details about our information collection and handling practices including information about:

- other ways and reasons we may collect, use or exchange your information;
- how you may access and seek correction of the information; and
- how to make a complaint about a breach of your privacy rights, and our complaint handling procedures.

We encourage you to check our website regularly for any updates to the Policy.

ADDITIONAL OBLIGATIONS

We may be subject to laws or regulations in Australia or another country that affect your relationship with us. So that we may comply with our obligations under these laws or regulations and as part of Australia's international

obligations in relation to combating tax evasion, we may require you to provide additional information. Until you provide us with this information, we may be unable to complete the opening of your account.

For example, if you are the trustee of a trust, you need to tell us if the settlor or any beneficiary of the trust is a tax resident of a country other than Australia. If the settlor or any beneficiary is itself an entity, this requirement applies to all individuals who are an ultimate beneficial owner of that entity.

We may then require you to obtain (and/or provide on their behalf) each individual's name, address, date of birth and tax residency details.

Where you are a trustee, you do not have to give us this information in relation to the settlor if their identity is not known or, if they have no ongoing involvement with the trust and their tax residency is not known. In this case, you confirm that after reasonable enquiry, you have no reason to believe that the settlor is a tax resident in a country outside Australia.

You must keep this information up to date, and notify us promptly of any change.

We may also:

- require you to provide information about you or your product;
- disclose any information we are required to concerning you (including sending your information overseas);
- withhold an amount from a payment to you, and if we do, we will not reimburse you for the amount withheld; and/or
- take such other action as is reasonably required, including, for example, closing your account.

If you need to get in touch with us regarding tax residency information:

From Australia call 1300 077 141 between 9am – 5pm, Monday – Friday (your local state time)

From overseas call +61 2 9283 6096 between 9am – 8pm, Monday – Friday (Sydney/Melbourne Time).

Call charges may apply.

HOW TO CONTACT US

For privacy-related enquiries, please contact us by calling CommSec Adviser Services on **1800 252 351** as we aim to resolve your query or complaint at your first point of contact with us or if you have tried to resolve your complaint and are not satisfied with the outcome, you may also contact our Customer Relations team directly by calling **1800 805 605**, or writing to the address in our Group Privacy Policy.

25. International Residents

Please note that keycards, cheque books and deposit books are not available to customers with a non-Australian postal address.

26. Severance

If any part of any of these terms and conditions is found to be void or unenforceable for unfairness or any other reason (for example, if a court or other tribunal or authority declares it so), the remaining parts of these terms and conditions will continue to apply as if the void or unenforceable part had never existed.

27. Financial claims scheme

The Financial Claims Scheme, under the Banking Act, covers deposit amounts you hold in a bank in aggregate up to a statutory prescribed limit (please note that for the purposes of calculating this total joint accounts are considered to be held in equal shares). You may be entitled to a payment in some circumstances. Payments under the scheme are subject to a limit for each depositor. Information about the Financial Claims Scheme can be obtained from www.fcs.gov.au.

28. Instructions via fax and email

We recommend account instructions are provided through the CBA's secure electronic channels or in writing. As well as being convenient, using electronic channels reduces your potential losses from fraud risk.

There may be times though when instructions are provided by fax or as an attachment to an e-mail. In these instances you authorise us to accept instructions (including transfer of funds or changes to account details) for your account(s) by fax or scanned documents sent by email.

There are risks associated with instructions sent by fax or email. Because a facsimile or attachment to an email is not an original document, it may be difficult for us to verify whether it is genuine – e.g. whether a signature from another document has been photocopied onto the document sent, or if a properly signed document has then been altered.

By providing instructions by fax or email, you agree to accept these risks. In particular, so long as we take reasonable steps to check that instructions appear to have been given by an authorised signatory/signatories, we may accept and act on fax or scanned document instructions, even if it is later determined that they were in fact fraudulent or unauthorised.

We may refuse to accept a particular instruction, and will notify you of any refusal as soon as practical. We may also ask you to confirm an instruction (although we are not required to do so).

Keeping you informed
